

**Do you live locally and would like to work in your local community (Chorley, Rochdale and West Lancashire). Would you like a job which is interesting and stimulating, where no two days are the same?**

**Are you a “People Person”?**

Could you help people who need support to live a full life and learn to do all the things that you do? Look after my home, make friends and meet with them, plan a holiday, take part in sport and support me to keep me healthy, get around my community, plan, shop and cook my meals and much, much more!

**In return you will have:**

- A contract for part time or full time work.**
- Regular hours of work**
- Full (paid) training – but don't worry – you don't need to be an academic!**
- A supportive workplace**
- The opportunity to progress a real career and earn more (if you want to) by taking part and being paid for work based learning**

**We pay a starting rate in line with National Living Wage but there are very generous rates for staff who complete sleep in duties**

**If you would like to go to work each day and feel like you've made a real difference in someone's life then contact us at:**
